May 01, 2023

Monterey Park, CA – Carmichael International Service is very pleased to announce the launch of a full-service Customs Brokerage office in Dallas, TX.

This new Dallas Customs Brokerage office marks Carmichael's thirteenth facility in the United State and second office in the state of Texas. The city of Dallas was chosen, in part, for its strategic location in Texas to support the continued growth of air and ocean imports into Texas. Specifically, the Dallas/Fort Worth Airport (DFW) for air shipments and the Port of Houston for ocean imports both of which continue to see strong growth.

"We are very excited about the opening of our Dallas office," said Todd Boice, President of Carmichael International Service. "This move puts us in a great position to support the Customs Brokerage needs of companies currently based in Texas and those companies looking to relocate to the state of Texas."

Rosalinda Saenz has been appointed Carmichael's Dallas Branch Manager. Rosalinda Joined Carmichael in 2013 and is a licensed Customs Broker who has been in the Customs Brokerage and Logistics industry for over 35 years. Having opened Carmichael's Laredo office back in 2014, Rosalinda has both the experience and qualifications to lead this new chapter in the history of Carmichael.
