The USTR is Taking Comments and Requests for Exclusions for China 301 Duties

In our last Memo to Clients, we wrote about the proposed additional products subject to China 301 duties and/or substantial increases. The Office of the USTR will accept comments on the increase and will accept new exclusion requests. The USTR opened the comments period on May 29, 2024, and comments will be accepted through June 29, 2024. The link for instructions for filing comments for the China 301 duties can be found at: <http://www.carmnet.com/wpcontent/uploads/2024/05/301-Tariff-Portal-Comment-Filling.pdf>. We have again also attached the link to the Federal Register Notice detailing the changes for your review and it can be found at: <http://www.carmnet.com/wp-content/uploads/2024/05/2024-05-22-FR-notice-implement-USTR-report-re-301-duties16547826.1.pdf>
